

Membership Application

BACIC is composed of organizations, companies, trade groups, and individuals who share a common interest in providing information to Arizona communities about beverage alcohol issues. BACIC seeks to ensure that underage persons do not consume alcoholic beverages and impress upon adults the importance of treating alcohol products responsibly and in moderation. Represented in the ranks of BACIC are restaurants and bars, retail stores, distributors and suppliers, sports and social clubs, hospitality and tourism groups, and others who support its mission.
